Report of Principal and School Improvement Council

This year we begin our work as part of the S2TEM State Science Consortium. This educational initiative is focused on economic development through improvement in K-12 STEM education. STEM refers to science, technology, engineering, and mathematical fields of study. The term is recognized world-wide and describes education policy and curriculum opportunities in schools from kindergarten through college to career. Arts will continue to be infused across the curriculum and will be embedded within our program in the 2015-2016 school year.

Through our participation in this initiative it is our desire that students at JIES will: think like engineers, designers, and problem solvers; identify and utilize creativity, inventions, and resources; improve their ability to think critically and abstractly; work cooperatively and comprehend what they read; and model ethical and social responsibility and communicate ideas orally.

We are proud of the fact that James Island Elementary School currently has two outdoor classrooms. These two labs will continue to serve as great resources for our STEM initiative.

We continue our commitment to the Reading-Writing Workshop Program. This evidence-based program is implemented by a dedicated staff that constantly monitors and adjusts instruction to fit student needs.

At JIES the entire staff works to provide a variety of opportunities for our students to learn and grow. This year we began our third year of the Engaging Creative Minds Grant, which provided students a connection between the arts and social studies and science. The Primary Grades Academy provides support for our students needing support in reading. Staff, in conjunction with students, present the JIES Morning News Program. Additionally, our students and families support and participate in the SAIL– Gifted and Talented Program, PBIS Town Hall Meetings, Kaleidoscope, Fall Festival, Reading Prize Patrol, Living Literature Day, Great Bird Challenge, Early Child Development, Two Child Development Classes, Math/Science Night, the Tennis Team, Dr. Seuss Week, Birthday Book Club, Children’s Book Week, many Musicals, Fall Family Reading Night, Career Fair, Strings, 5th Grade Chorus, Local and National Art Competitions, Homework Hotshots, Foster Grandparents, Wellness Committee, Children’s Gardens, Young Achievers, Science Fair, Recycling, Mentor Programs, After School Tutoring Program, Trebuchet@theCitadel, and the Charleston Anglers Fishing Club.

It is our expectation that student achievement at James Island Elementary will continue to grow as children become more adept in the use of the State Standards through a STEM focus.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.8
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

James Island Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
